

# Employee Benefits

Prima Group offer a supportive working environment for all employees.

We demonstrate agility and innovation in all areas of the business, which is what earned us our place in the top 10 of Housing Digital's Top 30 Digital Housing Providers.

Prima Group operate a fully flexible approach to how the working week is managed. By promoting an agile workspace, we fully support our employees with their home/life balance. With a new People Strategy on the horizon, now is the time to join Prima Group and become part of an exciting, forward-thinking organisation.

Our culture is based on our visions and values which are embedded across the group. We value our staff and aim to provide the best support in terms of training and development.
